This month's cover

This month's cover main image is a view to Mt Peiion west from Pine Valley Moor, one of the many excellent views experienced by the team tackling the Overland Track in the Cradle Mountain - Lake Saint Clair National Park. Photograph by Gerard Warrillow VK3GT. See the story commencing on page 6. Inset photos show the portable equipment used on the Overland Track trip (left) and a view of the MST400 QRP SSB transceiver.

Contributions to Amateur Radio

Amateur Radio is a forum for WIA members' amateur radio experiments, experiences, opinions and news. Manuscripts with drawings and/or photos are welcome and will be considered for publication. Articles attached to email are especially welcome. The

WIA cannot be responsible for loss or damage to any material. Information on house style is available from the Editor.
