

A group of antennas to make any amateur envious, particularly after reading the article on two metre propagation by John VK3DNK, (see page 8). The proud owner of this antenna farm is Wally VK6WG, a 1296 MHz Record Holder (page 33, May AR). Wally also gains many mentions from Eric VK5LP, in the VHF-UHF columns.

Special Features

Future of Amateur Radio — as seen by a Novice-to-be by R A Fenton L20530	16
