

Special Features

- 12** **REVIEW** — **YAESU FT-747GX**: Tom Moffat, VK7TM, takes on the simplest mobile HF rig you're ever likely to encounter, and *loves* it...
- 19** **REVIEW** — **MOBILE ONE HF WHIPS**: What better to use when going HF mobile than mobile HF antennas? Neil Duncan, VK3AVK, checks them out.
- 22** **THE G4ZU 'V5'** — **PART 3**: Dick Bird concludes our exclusive V5 story with a technical appendix explaining how it all works.
- 26** **REVIEW** — **ICOM IC-A20**: Lance Farrell checks out a hand-held with a difference... it tells you *where* to go!
- 29** **HIAWATHA ON THE FIELD DAY**: A sad (but true) story of what can go wrong when Murphy gets mixed up with the best-laid plans. John Kolm relates the tale...
- 32** **PACKET RADIO**: One man's view of the fastest-growing mode in amateur radio — packet. By Frank Halliwell, VK4AVE.
- 36** **HF NET FREQUENCY LIST**: Ash Nallawalla presents part one of our annual *world's biggest* compilation of HF nets.
- 42** **THE TASMANIAN HAMFEST**: Tom Moffat casts his vote of approval on the 1988 Tassie Hamfest. They get it *right*...
- 47** **REVIEW** — **CAPTAIN COMMUNICATIONS POWER SUPPLY**: A *monster* performance from a solid beast. VK3YID looks it over.
- 48** **NEW COLUMN** — **CONTESTS**: AT LAST! The Contests column returns for 1989 under new management — *Eddie DeYoung, VK8XX*.

Cover: Yours for just \$38,000 — the latest hot-shot from **Holden Special Vehicles** — the VN Commodore-based SV-3800. Why put a car on a radio magazine cover? Simple! It offers high mobile performance... and so does the Yaesu FT-747 rig we tested inside it. Antennas (apart from the cellular phone antenna) by **MOBILE ONE**, rig by Yaesu, tricky sunset photography by lensman Peter 'Blitz' Fritz. **Right**: Kolm's view of what our new 'contest column' should look like...
